

EDITOR-IN-CHIEF

Molecular & Cellular Proteomics

The American Society for Biochemistry and Molecular Biology welcomes nominations and applications for the position of editor-in-chief of Molecular & Cellular Proteomics.

MCP publishes original research that makes a substantial contribution to the understanding of any area of proteomics. The next editor-in-chief should be a public-facing thought leader, a committed advocate for authors and readers, a leader who listens and delegates, and an active researcher of significant accomplishment.

Candidates should possess:

- ! Expert knowledge of mass spectrometry and proteomics
- ! Strategic planning experience
- ! A
